

**8:00 am - 12noon      Development & Outreach Committee's Networking Sessions  
"Rod and Reel" or "Cart and Club"**

*\* separate evite, registration, and attendee payments will be handled by the D&O Committee*

**12:00 pm - 1:15 pm      Registration/Check In      (Campus Center Dining Solarium)**

**12:00 pm - 1:15 pm      Lunch and Roundtable Discussion      (Campus Center Dining Solarium)**

**1:30 - 4:30 pm      Tour UMASS Amherst Facilities**

The tour will be lead by the Physical Plant Director, Ray Jackson. The tour will leave from the Solarium and we will start at the Campus Central Heating Plant. After touring this massive powerhouse we will then shift gears and tour one of the new, state of the art, science buildings.

The Physical Plant Department is responsible for the custodial, grounds, utilities, and building maintenance for nearly 7.6 million square feet of administrative, academic, and recreational space at our Amherst campus. Ray's team is a complex organization that operates successfully through the diligent efforts of our highly motivated and dedicated personnel.
