**My name is John McGrann and I am your Bona® Facility Solutions East Coast Manager. I live in Canton, MA and I hope you, your family and staff are all safe.**

Prior to COVID-19, Bona® had been actively partnering with school facility personnel in Massachusetts demoing our sustainable solutions for hardwood gym floors and worn VCT/LVT/Rubber and Linoleum floors.

With schools closed the remainder of the term, let's work together when you are ramping up summer projects. Bona can save you **TIME** and **MONEY!**

### Bona Commercial System™ Flooring Solutions

- Transform old floors without replacing
- 7 base colors and 15+ color chip options
- Save Time and Money, average of 5 hours to transform 2,000 square feet
- Creates a seamless monolithic, non-porous floor, helping prevent contaminants
- Never strip again!
